Re: Californians for Change (FKA Californians for Obama) and Emmett Cash,  
III, Chairman  
**MUR 5951**

Dear Mr. Jordan:

Your letter dated November 8, 2007 and my response

I am Emmett Cash, III, the chairperson of Californians for Change (FKA  
Californians for Obama) ("Committee")

I along with others formed the committee for the purpose of supporting Senator  
Obama and his run for the Presidency. The committee operated under FEC rules. Durkee  
and Associates handled funds and FEC reporting. I am prepared with legal counsel, to  
provide a sworn statement, either by way of declaration under penalty of perjury or  
interview with commission staff, attesting to these facts.

Should you have or members from the commission have any questions or  
concerns related to me and the committee please feel free to contact me

Sincerely,

  
Emmett Cash, III
